

### **Students' Feedback Analysis:**

During the semester, the students are encouraged to ask in case of difficulty in subjects so that it can be rectified and improve the delivery of the subject's teacher. During the semester feedback of the subject as well as subject teacher is taken through a structured questionnaire designed with focus on every aspect of Teaching Learning Process and other administrative process. This feedback is used for overall improvement in all areas.

### **Teachers' Feedback on Curriculum Analysis Process:**

In case of Teacher with lower feedback scores, he / she is being called by the Principal instructed to improve their performance and teaching parameters. If teacher is in need of any shortcoming of teaching aids (like instrument, library etc.) it is provided immediately so that knowledge transfer process should not get hampered. Parents meet is organized every semester and College works on their suggestion for overall development of dept or institute. The attendance, result and other related information of each student is shared with the parents each semester so that they should know the academic progress of their ward.

### **Alumni Feedback Analysis Process:**

To obtain the Alumni feedback, a questionnaire is floated among the alumni. The responses are analyzed on the basis of different parameters, which helps to implement quality policy at institute level. It's observed from the earlier feedbacks received that alumni are quite satisfied with the infrastructure facilities.

The suggestions from alumni mainly focus on to keep pace with the ever-changing technology. IQAC planned an initiative for add-on/bridge courses. Alumni interaction at department level across different events such as expert lectures, discussing industry job scenario with current batches, organizing mock interview etc are the benefits.

### **Parents' Feedback Analysis Process:**

Parents' feedback analysis suggests to improve on to Industry exposure aspect. IQAC decided to address the issue by signing more MOUs with the adjoining industries and cater to the need of students. Parents' also suggested including some programs about Universal human values to be imbued in the students. Such programs are initiated under student development cell.

During the semester, the students are encouraged to ask to clear doubts in their respective subjects so that it can be rectified. During the semester feedback of the subject as well as subject teacher is taken through a structured questionnaire designed with focus on every aspect of Teaching Learning Process and other administrative process. This feedback is used for overall improvement in all areas. In case of lower feedback scores, the teacher is instructed to improve their performance and teaching parameters.

If teacher is in need of any shortcoming of teaching aids (like instrument, e - library etc.) it is provided immediately so that knowledge transfer process should not get hampered. Parents meet is organized every semester and College works on their suggestion for overall development of dept or institute. The attendance, result and other related information of each student is shared with the parents each semester so that they should know the academic progress of their ward.

Institute always remains in touch with the alumni so that suggestions can be gathered from them after completion of their course. These suggestions are analyzed shared with all the stake holders. Industry Institute interaction Cell has been established to make the students aware of the technological advances in industry so that the current Industrial trends can be brought into the knowledge of faculties students.
