Brief Report

As the COVID-19 pandemic situation made an unexpected sudden halt to the regular college-based learning, our Andhra Pradesh State Council of Higher Education (APSCHE), Commissionerate of Collegiate Education (CCE), offering various skill enhancement training courses through various digital learning platforms. One of those Digital Learning Platforms is IIT Bombay Spoken Tutorial, which is about teaching and learning a particular FOSS (Free and Open Source Software) like Linux, Scilab, LaTeX, PHP & MySQL, Java, C/C++, LibreOffice etc. via an easy Video tool Spoken Tutorials Goggle award winning MOOC. Smt J.Kalpna, Lecturer in English acted as the coordinator for these courses and is utilized by our college students. A total of 62 students successfully completed the courses after Completing all the course requirements and assessments.

Dear Sir/Madam,

Please find the feedback from IIT Bombay Spoken Tutorial team,

Requested to enroll all students including I year for Spoken Tutorial immediately. As the Spl.CCE sir is very particular about these courses, all Principals shall act seriously on it and complete the enrollment process by saturday. (1. Libre Office Suite 2. Introduction to Computers (5 sessions) courses are easy courses to get the certificates) Also. enroll other courses which are useful as per the curricular point of view.

1. Students who are enrolled in the July-December 2020 semester, but due to network issues and infrastructure issues, their attendance is still pending. So, will they be allowed to give their exams for both July-December 2020 and Jan-June 2021 Semester before June 2021.

Mr. SUTTECH

- Yes, students who already enrolled during July-Dec 2020 Semester they can appear for online tests. For this Faculty organiser(FO) will submit the attendance i.e Participant List first then can conduct the test.

2. In AP we have 155 Govt. Degree Colleges and nearly 80,000 students are studying Degree in these colleges. Due to unavailability of sufficient number of Desktops/Laptops, we would like to download the entire course content and make our students take the training offline by using out Digital and Virtual Class rooms, but they will take their exam from their individual logins only to complete the course, if this facility is available we want majority of the students to utilise the opportunity and receive certificate from esteemed organisation like Spoken Tutorial.

- Good idea, even our motive is to reach out our training courses to each and every student majorly students from rural areas.
- To access and download the course material from our website. I would suggest you to get registered with us first, so that I can give you the access of the Faculty Organiser to download the required course.
