Under the wing of Career Guidance and T.K.C, Final year students attended One-Day National Webinar on "Orientation on Language and LSRW Skills in Rural Sector" on 21st November 2022 i.e. on Monday on Google Meet at 11 A.M. Registration Fee for participants was Rs. 60/- The Webinar was conducted by "Writer's Voice".

Importance: Language skills include listening, reading, speaking and writing. To acquire any new or second language, one should proceed with these 4 skills. These serve many valuable purposes such as - support, opportunities to create contexts in which to use the language for exchanges of real information, ^{which is} evidence of their own ability and confidence.

5 students and a staff member attended the webinar.
