How to Earn Money through Digital Marketing Workshop on

8/02/2021 to 9/2/2021.

How to Earn Money through Digital Marketing Workshop on 8/02/2021 to 9/2/2021.

Introduction

As a part of MOU with Hyper Techno Solutions, the Department of Computer Science at V.S.R.Government Degree & P.G. College,Movva conducted a two-day workshop on Digital Marketing from February 8, 2021, to February 9, 2021. The workshop aimed to provide students with essential knowledge and practical skills in the field of digital marketing, a crucial area in today's technology-driven business world.

Activity Details

- Nature of the Activity: Workshop
- Title of the Activity: Two Day Workshop on Digital Marketing
- Conducted Through: Department of Computer Science
- Lecturer: Department of Computer Science Faculty
- Resource Person: Hyper Techno Solutions
- Number of Students Participated: 100

Workshop Highlights

The workshop covered a wide range of topics related to digital marketing, including but not limited to:

1. Introduction to Digital Marketing: An overview of digital marketing, its importance in contemporary business, and its various components.
2. Search Engine Optimization (SEO): Techniques to optimize websites for better search engine rankings, increasing organic traffic, and visibility.
3. Social Media Marketing: Strategies for effectively using social media platforms to promote products and engage with customers.

4. Content Marketing: Creating valuable and relevant content to attract and retain a target audience.

5. Email Marketing: Utilizing email campaigns for customer engagement and lead generation.

6. Google Ads and Paid Advertising: Understanding and managing paid online advertising campaigns.

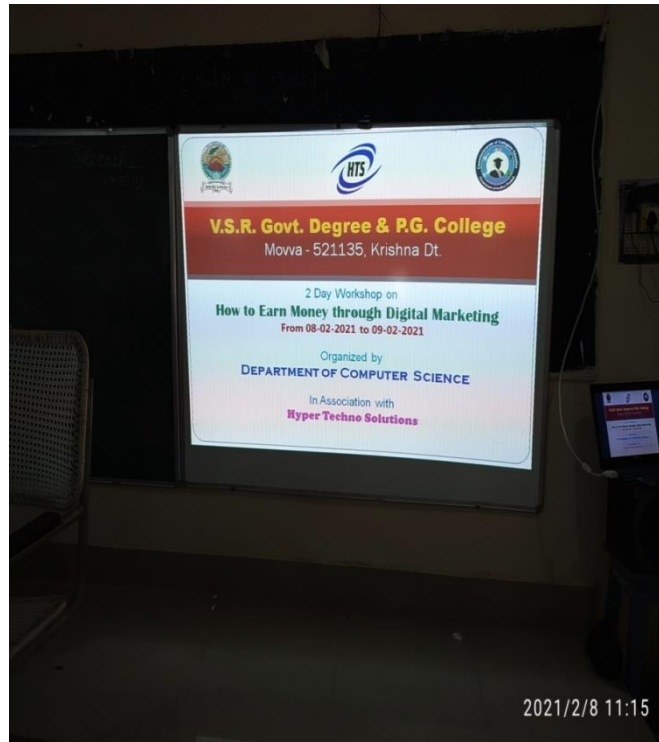

7. Analytics and Measurement: Using tools and analytics to track and analyze the performance of digital marketing campaigns.

Participants' Feedback

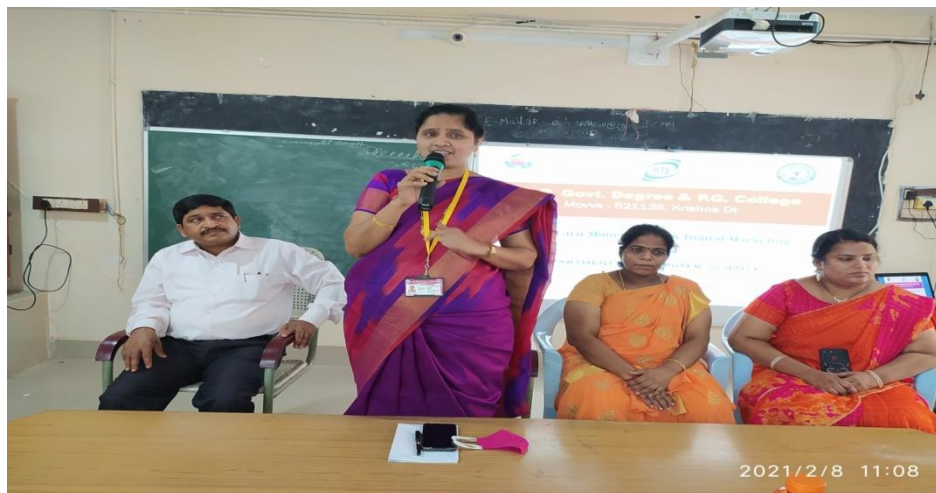

The workshop received positive feedback from the participants. Students found the sessions informative and engaging, and they appreciated the practical insights provided by the resource persons from Hyper Techno Solutions.

Conclusion

The Department of Computer Science successfully organized a Two Day Workshop on Digital Marketing, providing valuable knowledge and skills to 100 students. Such initiatives contribute to the holistic development of our students and keep them updated with the latest trends in the technology and business world.
