Two day workshop on regenerative organic farming

14-03-2022 & 15-03-2022

Two day workshop on regenerative organic farming

14-03-2022 & 15-03-2022

REGENERATIVE FARMING

Department of biotechnology organised two days workshop on regenerative farming in Association with Nandi foundation and Mahindra Pride class on 14/3/22 and 15 /3/22. Workshop conducted on 14/3/22, students learn about process and cons of organic farming by preparing chart models and by participating in debate, group discussion etc.. On the second day of workshop that is 15 /3 /2022 students got knowledge and hands on experience on preparation of different organic fertilizer like panchagavya, jeevamrutham and organic compost etc. Students are very much interested in participating in this workshop and they practice the same to rejuvenate the soil and earth first and third BSc biotechnology and BZC students are participated.

OBJECTIVES :

1. To introduce students to the principles and practices of regenerative farming, emphasizing the importance of soil health and biodiversity.
2. To provide practical demonstrations and activities, such as composting, cover cropping, and soil testing.
3. To discuss the potential career opportunities and entrepreneurship prospects in the field of regenerative agriculture.

4. To foster critical thinking and problem-solving skills by engaging students in discussions about the challenges and opportunities associated with regenerative farming practices.
5. To encourage students to engage with local communities and stakeholders to raise awareness about the benefits of regenerative farming and to promote sustainable agricultural practices in their surroundings.

Inaugural Function of Regenerative Organic Farming on 14/3/2022

Students Participating in Group discussions and Debates on 14/3/22

Preparation of different organic fertilizer like panchagavya, jeevamrutham and organic compost

Valedictory Function of Regenerative Organic Farming on 15/3/2022

6
DE: 14/3/22

MOVVA

Department of biotechnology organized two days workshop on regenerative farming in association with Naandhi foundation and mahindra pride club. 14/3/22 and 15/3/22 workshop is conducted. on 14/3/22 students learnt about pros & cons of organic farming by preparing charts, models and by participating in debates, group discussions etc... on the second day of workshop i.e 15/3/2022 students got knowledge & hands on experience on preparation of different organic fertilizers like "panchagavya", "Jeevamrutam", organic compost etc... Students are very much interested in participating in this workshop & they practice the same to rejuvenate the soil & earth. I & III Bsc biotechnology & B2c students are participated.
