collecting samples for COVID-19 testing on 17-11-2020**

On 17th November 2020, Dr. S. Siva Krishna and his team from Movva Primary Health Centre visited our college to carry out sample collection for COVID-19 testing. The purpose of their visit was to conduct RT-PCR tests on students and staff members. A total of 100 samples were collected and subsequently tested. Fortunately, none of the individuals tested positive for the virus. This testing initiative was organized by our college's NSS unit, highlighting their commitment to ensuring the safety and health of our campus community. By collaborating with local health authorities, the college aimed to proactively identify any potential cases and prevent the spread of COVID-19 within our premises. The successful outcome of this program brought relief and reassurance to everyone associated with the college, reaffirming the efforts invested in maintaining a safe learning environment amidst the ongoing pandemic.

COVID RALLY

21-11-2021

The COVID-19 pandemic has affected the lives of millions globally, making it crucial to raise awareness and educate communities on preventive measures. On November 21, 2021, VSR Government Degree College organized a COVID-19 awareness rally in Movva, aimed at spreading knowledge about the virus, its prevention, and the importance of vaccination.

Objective:

The primary objective of this rally was to create awareness among the local residents of Movva about the ongoing pandemic, its impact on public health, and the necessary precautions essential for personal and collective well-being. Additionally, the rally aimed to address vaccine hesitancy and encourage the public to get vaccinated. The rally witnessed active participation from students, faculty members, and staff of VSR GDC, as well as local community members. The collective effort and involvement of everyone involved helped ensure the rally's success. The COVID-19 awareness rally conducted by VSR GDC, Movva, on November 21, 2021, successfully educated the local community about the pandemic, its prevention, and the importance of vaccination. By addressing queries and dispelling misconceptions, the rally played a vital role in instilling confidence and ensuring that accurate information reaches the masses. Such initiatives contribute significantly to the ongoing fight against COVID-19, serving as a reminder of the importance of collective action and individual responsibility towards public health.

By actively participating and volunteering for such awareness campaigns, we can make a positive impact in curbing the spread of the virus and safeguarding our communities.
