Brief Report

Entrepreneurship is when an individual who has an idea acts on that idea, usually to disrupt the current market with a new product or service. Entrepreneurship usually starts as a small business but the long-term vision is much greater, to seek high profits and capture market share with an innovative new idea.

On 23rd February JKC team of the college organized a program on Career Guidance and Entrepreneurship Skills for the first and second year students from 11a.m. to 1p.m. in the college new library hall. Smt. Gayathri Sridhar, CCE consultant acted as resource person to this program. In this lively, interactive session Smt. Gayathri Sridhar focused on time management, goal setting, life planning, women empowerment and self-employment opportunities. She discussed with students about their future targets and their present day requirements. The program was chaired by our college Principal Dr. S. Madhavi, supported by Smt.K.R.Manjula, Academic coordinator and Dr.LVKrishna Rao, IQAC coordinator. Later in the afternoon session Smt. Gayathri Sridhar interacted with the teaching faculty and discussed various methodologies and strategies being employed in the teaching learning process for undergraduate students. She also suggested the staff members to employ more student centric and activity based methods in order to overcome the monotony of traditional teaching methods.
