Mr. SUTTECH

- Yes, students who already enrolled during July-Dec 2020 Semester they can appear for online tests. For this Faculty organiser(FO) will submit the attendance i.e Participant List first then can conduct the test.

2. In AP we have 155 Govt. Degree Colleges and nearly 80,000 students are studying Degree in these colleges. Due to unavailability of sufficient number of Desktops/Laptops, we would like to download the entire course content and make our students take the training offline by using out Digital and Virtual Class rooms, but they will take their exam from their individual logins only to complete the course, if this facility is available we want majority of the students to utilise the opportunity and receive certificate from esteemed organisation like Spoken Tutorial.
