VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW), located in Vijayawada in the heart of Andhra Pradesh Capital Region Suburbs, is one of the pioneering professional institutes affiliated to JNTU Kakinada. Since its inception in 2008, VITW has been dedicated to impart quality education to professional students and to prepare students for innovations and leadership in a global competitive village.

The institution oriented towards the cause of need-based education, aiming at optimum growth, have been delivering various foundation courses, certificate courses and career oriented UGC sponsored add-on courses have contributed towards enriching the curriculum.

In twelve years of its existence the college carved a niche for itself by providing holistic development of our students imbued by values by its academic environment, student support services, Mentorship programmes, Placement assistance, and Outreach programmes - with excellent infrastructure facilities.

The college had facilitated the formation of an ED-Cell to ignite the spirit of entrepreneurship in students, by giving them the requisite skills, knowledge and competencies. This centre plans to conduct workshops, training programmes, hands on experience in collaboration with industry and government organizations.

V.S.R. Government Degree & P.G. College was established in 1984. This College has been established in order to cater to the educational needs of the rural students from the surrounding villages of Movva Mandal. The land of the college has been donated by the Local Philanthropists. The motto of the College is to focus on the objectives of education to the students from the rural communities, thereby imparting skills of employability to meet the job opportunities and to mould themselves as the responsible citizens of India. The College has been offering UG and PG Programmes.

The College is covered under 2f and 12 B of UGC Act 1956 and getting general development grants since 1992. At present the College is affiliated to Krishna University, Machilipatnam. The vision of the College is to contribute to the advancement of knowledge through teaching, research, publications and dissemination and to train students to acquire good communication skills and leadership qualities so as to mould them to be global citizens. The College has been offering relevant, need based courses from time to time.

The College went for first accreditation in 2004 and was awarded 'B' Grade and Second accreditation in 2011 and was awarded 'B' Grade with 2.56 CGPA and third accreditation in 2017 and was awarded 'A' grade with 3.01 CGPA, which was the highest in rural colleges. The College offers various programmes like JKC, TISS and skill development for the enrichment of quality of education, especially employable skills.
