

**VSR GOVERNMENT DEGREE & PG COLLEGE, MOVVA**  
**DEPARTMENT OF BIOTECHNOLOGY**

**Name of the faculty: Dr.K.Vasudha**  
**Research Papers published(2023-2024)**

S.NO	Name of the Journal	Topic	ISSNO.	Date
1	Next Materials	Green fabrication of <i>Tinospora cordifolia</i> -derived MgO nanoparticles: Potential for diabetic control and oxidant protection	100171	1 March 2024
2	International Journal of Membrane Science and Technology	The Role of Herbal Medicine in Oxidative Stress: Prevention of Diabetes	2410-1869 Vol. 10, No. 4, pp 2374-2378	8 August 2023
3	The International journal of analytical and experimental modal analysis	Isolation and antimicrobial activity of marine actinomycetes from Nizampatnum soil.	0886-9367	September 2023
4	Solovyov Studies ISPU	A Comparative Analysis of Nutritional and Protein Composition in Vegan and Non-Vegan Milk Products	2076-9210	September 2023
5	The International journal of analytical and experimental modal analysis	Production and partial purification of pectinase enzyme by marine aspergillus niger from orange peels	0886-9367	July 2023

## Details of Text Book Published

**Title of the Book : A Text Book Of Cell Biology And Genetics**

**Author : Dr.K.Vasudha**

- **Publisher: AG Publishing House, MP, India**
- **ISBN: 9788196873837**
- **Edition: First Edition, 2023**
- **Pages: 233**
