VOTER AWARENESS PROGRAMME

27/10/2021

National Voters Day is celebrated on January 25th every year in India. It aims to promote awareness about the importance of voting and encourages eligible citizens to exercise their democratic rights. VSR Government Degree College (GDC), Movva marked this significant day with great enthusiasm and conducted several activities to enlighten and engage students and the community at large. VSR GDC, Movva organized voter registration drives in collaboration with the Election Commission of India. Students and staff members were encouraged to register themselves as voters throughout the day. Registration desks were set up at various locations on the college premises, providing easy access for everyone interested in enrolling as a voter. The National Voters Day celebrations at VSR GDC, Movva were a resounding success, spreading awareness about the importance of voting and empowering young minds to actively participate in the democratic process. The events conducted throughout the day helped in fostering a culture of civic engagement and instilled a sense of responsibility among students. By organizing voter registration drives, awareness campaigns, guest lectures, the college played an instrumental role in empowering the students and the community to make informed choices and contribute to nation-building through active participation in elections.

On November 10, 2021, VSR GDC organized a Drugs Awareness Program at their premises in Movva. The program aimed to educate students, faculty, and staff members about the harmful impacts of drug abuse and promote a drug-free environment within the institution and society at large. The key objectives of the Drugs Awareness Program were as follows:

- a) Raise awareness about the negative effects of drug abuse on individuals and communities
- b) Provide accurate information about various types of drugs, their risks, and consequences

- c) Promote a culture of prevention and healthy lifestyle choices
- d) Equip participants with strategies and resources to recognize and address drug-related issues
- e) Develop a support network within the institution to assist individuals struggling with drug addiction

The Drugs Awareness Program by VSR GDC, Movva, was successful in imparting crucial information and promoting a drug-free environment among students, faculty, and staff members. The resource person Sri. Pattabhi Chowdhari gave valuable inputs regarding the negative effects of drugs and with continued efforts and collective commitments, the institution can contribute to creating a healthier and drug-resistant society.

WORLD AIDS DAY

01-12-2021

World AIDS Day is observed globally on 1st December each year to raise awareness about HIV/AIDS and remember those who have lost their lives to the disease. On this day,

organizations, governments, and individuals come together to fight against HIV/AIDS, show support for people living with the virus, and educate the public about prevention and treatment options. VSR GDC, Movva organized various activities to mark World AIDS Day and contribute to the cause. A team of volunteers from VSR GDC conducted an awareness campaign on campus and in the surrounding community. They distributed informational pamphlets, posted banners and posters highlighting the impact of HIV/AIDS, and engaged in open discussions to clear misconceptions and spread accurate information. VSR GDC, Movva successfully organized a variety of activities to commemorate World AIDS Day. The initiatives undertaken aimed to raise awareness, promote prevention, emphasize the importance of testing, and provide support to affected individuals. By engaging the campus community and reaching out to the wider public, VSR GDC played an instrumental role in fighting against HIV/AIDS and contributing to the global efforts to end the epidemic. It is our collective responsibility to continue working towards a world free of HIV/AIDS, where every individual has access to prevention, treatment, and support services.

COVID-19 VACCINATION

30-12-2021

This report highlights the COVID-19 vaccination progress at VSR Government Degree College in Movva as of 30th December 2021. The vaccination drive has been a crucial aspect

in curbing the spread of the virus and ensuring community safety. The college has been actively participating in the nationwide vaccination campaign, prioritizing the health and well-being of its students, faculty, and staff. Vaccination Status:

1. Vaccination Drive:

- The vaccination drive at VSR Government Degree College initiated on 30-12-2021.
- The college collaborated with local health authorities, primarily relying on the guidelines provided by the government.
- The vaccination centers were set up within the college premises, ensuring easy accessibility for the college community.

2. Targeted Population:

- Initially, the priority was given to individuals falling under the eligible categories outlined by the government, including healthcare workers, essential workers, and elderly individuals.
- Following the initial phase, the vaccination campaign expanded to include students, faculty members, non-teaching staff, and other members of the college community.

3. Vaccination Coverage:

- As of 30th December 2021, 100 individuals have been vaccinated at VSR Government Degree College.
- The vaccination numbers include both first and second doses, as per the recommended dosage schedule.
- The college proactively engaged in disseminating information and raising awareness regarding the importance, safety, and effectiveness of the vaccines.

4. Vaccine Availability:

- The vaccines provided at the college vaccination centers primarily include Covishield and Covaxin, as per government allocations and availability.
- The college administration collaborated closely with health authorities to ensure a regular supply of vaccines.

5. Safety Protocols:

- Throughout the vaccination campaign, the college implemented strict adherence to safety protocols, including social distancing, sanitization, temperature checks, and mask usage.
- Trained medical professionals and healthcare workers were present at the vaccination centers to oversee the process, ensuring the safety and well-being of individuals throughout.

The COVID-19 vaccination program at VSR Government Degree College, Movva, has been instrumental in achieving significant progress in safeguarding the health and mitigating the

impact of the pandemic. The collaboration between the college administration, local health authorities, and the commitment shown by the college community have been pivotal in ensuring a successful vaccination drive. The ongoing efforts to continue vaccinating eligible individuals will contribute to the fight against COVID-19, ultimately helping in the return to normalcy.

NEW YEAR PLANTATION

01-01-2022

On January 1st, 2022, a special New Year plantation event was organized by the VSR Government Degree College (GDC) in Movva. The purpose of the event was to promote environmental awareness and encourage the community to actively participate in green initiatives. Attendees included college students, faculty members, local residents, and government officials. The event aimed to contribute to a greener and sustainable future by planting trees to combat deforestation and promote a healthy ecosystem.

The New Year plantation event began at 9:00 am with a warm welcome speech from the college principal, highlighting the importance of trees in maintaining the environmental balance. A variety of tree saplings were arranged, including banyan, neem, peepal, mango, and various flowering plants.

The New Year plantation event conducted by VSR GDC, Movva on January 1st, 2022, delivered a powerful message about the importance of tree plantation and environmental conservation. The event successfully engaged the community, creating awareness about the need to protect our ecosystem. With the commitment of the college and its stakeholders, it is hopeful that such initiatives will continue to make meaningful contributions towards a sustainable and greener future.
