ANDHRA PRADESH STATE SKILL DEVELOPMENT CORPORATION

APSSDC - REPORT ON SKILL DEVELOPMENT ACTIVITIES

About Organization:

The Govt. of AP has formed 7 different Missions to achieve double digit growth for the state and to make AP among the most developed state in the country. Among these, the Knowledge and Skills Mission has been formed to provide trained and skilled manpower to all other Missions. To bring the faster execution State Government Andhra Pradesh has established The Department of Skill Development, Entrepreneurship and Innovation (DSDEI) has been further created to coordinate and synergize skilling efforts of all departments. Under which APSSDC is formed.

Context

To target 20 million people in AP in next 15 years towards skilling and entrepreneurship to meet skilled human power demands of all Missions and shape AP as the skilled-workforce and knowledge hub for the world

Vision

To eliminate the poverty and create decent work for all by investing in the social capital through employment-oriented and industry aligned skill development and livelihood generation

Mission

Identify the gaps in the existing skills ecosystem and upgrade skills to international standards through significant industry involvement, develop necessary frameworks for quality assurance and establish state-of-art skill colleges across all MP Constituencies to redefine employability skills in the State of Andhra Pradesh.

Ensure the effectiveness of the different skill development programs conducted by state government departments, corporations, societies and agencies by convergence and standardization

Employability Skill centers were established in every degree colleges of Andhra Pradesh to impart various free training programmes to the college students.
