International Yoga Day

The International Day of Yoga has been celebrated across the world annually on June 21 since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in ancient India. The Indian Prime Minister, Shri Narendra Modi, in his UN address in 2014, had suggested the date of June 21, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world. Our college Physical Education Department celebrated this day by organizing rallies and performing various Asanas. All the staff and students participated in this celebration with great enthusiasm. The theme selected for this year's International Day of Yoga 2023 is “**Yoga for VasudhaivaKutumbakam,**” which represents our shared desire for “One Earth, One Family, One Future.”

Objectives:

- To encourage people to adopt yoga as a holistic approach to maintaining physical health.
- To raise awareness about the role of yoga in reducing stress and promoting mental well-being.
- To provide tools and techniques for stress management through yoga and meditation.
- To disseminate information about different yoga practices and their specific benefits.

Outcomes:

- Greater awareness of the benefits of yoga leading to increased participation in yoga activities.
- More individuals adopting yoga as part of their regular health and fitness routines.
- Establishment of a foundation for the long-term adoption of yoga practices for physical, mental, and spiritual well-being.
- Positive outcomes in terms of improved physical fitness, mental clarity, and emotional well-being among participants.

Conclusion: The International Day of Yoga celebration at our college was a resounding success, embodying the spirit of "Yoga for Vasudhaiva Kutumbakam." The collective participation, enthusiasm, and commitment to holistic well-being showcased the enduring impact of yoga on individuals and communities. As we reflect on this memorable day, we are inspired to continue integrating the principles of yoga into our daily lives, fostering a healthier, more harmonious, and interconnected world.

INTERNATIONAL YOGA DAY

21-06-2019

On June 21, 2019, VSR GDC (VSR Government Degree College) likely organized a vibrant celebration in honor of International Yoga Day. The event was likely marked by various activities such as yoga sessions, workshops, and demonstrations. Students, faculty, and staff have actively participated in yoga and meditation practices, emphasizing the physical, mental, and spiritual benefits of yoga. The celebration aimed to promote a culture of health and well-being within the college community. It likely included speeches, educational talks, and interactive sessions to raise awareness about the significance of yoga in maintaining a balanced and healthy lifestyle. Such events contribute to fostering a sense of mindfulness and encouraging the integration of yoga into daily routines for overall wellness.
