Women Empowerment Cell Programs on Gender Equity

International Girl Child Day (11-10-2022)

INTERNATIONAL GIRL CHILD DAY

"When women participate in the economy, everyone benefits." - Hillary Clinton

International Girl Child Day is observed every year on 11 October to raise awareness about gender equality based on education, nutrition, medical care, legal rights and safeguard girls from any kind of discrimination in an attempt to empower each girl in the society.

In line with this thought, The Women Empowerment Cell of our college, observed the International Girl Child Day on 11 October 2022, and the goal was to advocate the notion that girls are no less than boys in all spheres of life.

Dr. S. Madhavi, Principal of our college, expressing her views on the occasion said, the society which regard girls, their education and their rights, will grow and develop more than the one which does not. It's high time that society needs to discard its orthodox perspective towards girls and should realize girls as equal to the other gender.

NATIONAL GIRL CHILD DAY

On 24 January 2023, our college Women Empowerment cell celebrated National Girl Child Day. This day was established in 2008 by the Ministry of Women and Child Development. The goal of National Female Child Day is to highlight the prejudice and injustice that girl children face. This day also encourages awareness of women's rights in our country.

Objectives of National Girl Child Day

The objective of National Girl Child Day is to create awareness about the rights a girl owns and to give girls the opportunities like everyone else, also to support the girl child of the nation and remove gender-based biases. Another objective of celebrating this day is to promote awareness about the inequalities that a girl child faces and educate people about girl's education. Basically to value them and to respect them like everybody else and give a new perspective towards girl child and to decrease discrimination. The main focus is on changing society's attitude towards girls, decrease female feticide and create awareness about the decreasing sex ratio.

International Women's Day (08-03-2023)

INTERNATIONAL WOMENS DAY

Our college Women Empowerment Cell celebrated International Womens Day on 8 March 2023. The chief guest Ms.M.Ramya Teja, senior Associate at PWC enlightened the students with her experiences of growing up as a girl child and also by narrating the historical importance of this day. Being a gold medallist in Martial Arts (silambam) she demonstrated a few movements of this traditional art using bamboo sticks . The girl students and women faculty who attended this programme were inspired and energised by her words and actions.

Women Equality Day (26-08-2023)

WOMEN'S EQUALITY DAY

As a part of the SIP scheduled activities, the Women Empowerment Cell (WEC) of our college, organized an extension activity by inviting Dr. Niharika, Civil Assistant Surgeon Primary Health Centre, Movva, on the Occasion of Women Equality Day on 26 August 2023. The incharge Principal, K.R.Manjula and the chief Guest of the event created an awareness on the importance of women's rights, its significance, history, right to vote and other related issues. Later, the RRC former Coordinator Smt. Naga ParameswARI, explained the importance of the RRC club, its objectives and activities.
