## **NCC DAY RALLY**

NCC day in India is celebrated on the 4th Sunday of November every year. The aim of organizing these events is to inculcate patriotism among the people and make them aware of the importance of discipline and unity among the people of India. The stated objective of NCC is to develop society physically, intellectually, and morally, to create an all-around personality with a sense of civic responsibility and community service.

## **COVID-19 AWARENESS RALLY**

**20-11-2020**

The COVID-19 pandemic has affected the lives of millions globally, making it crucial to raise awareness and educate communities on preventive measures. On November 21, 2020, VSR Government Degree College organized a COVID-19 awareness rally in Movva, aimed at spreading knowledge about the virus, its prevention, and the importance of vaccination.

**Objective:**

The primary objective of this rally was to create awareness among the local residents of Movva about the ongoing pandemic, its impact on public health, and the necessary precautions essential for personal and collective well-being. Additionally, the rally aimed to address vaccine hesitancy and encourage the public to get vaccinated. The rally witnessed active participation from students, faculty members, and staff of VSR GDC, as well as local community members. The collective effort and involvement of everyone involved helped ensure the rally's success. The COVID-19 awareness rally conducted by VSR GDC, Movva, on November 21, 2021, successfully educated the local community about the pandemic, its prevention, and the importance of vaccination. By addressing queries and dispelling misconceptions, the rally played a vital role in instilling confidence and ensuring that accurate information reaches the masses. Such initiatives contribute significantly to the ongoing fight against COVID-19, serving as a reminder of the importance of collective action and individual responsibility towards public health.

By actively participating and volunteering for such awareness campaigns, we can make a positive impact in curbing the spread of the virus and safeguarding our communities.

## **World AIDS Day**

**01-12-2021**

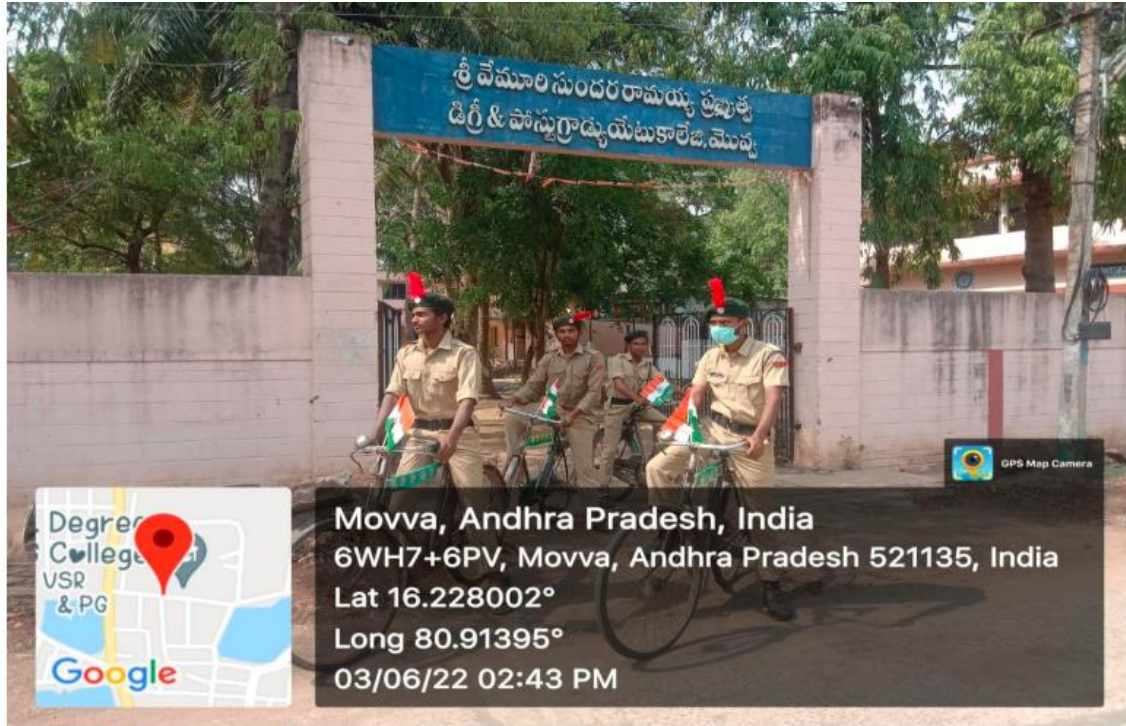

World AIDS Day is observed globally on 1st December each year to raise awareness about HIV/AIDS and remember those who have lost their lives to the disease. On this day, organizations, governments, and individuals come together to fight against HIV/AIDS, show support for people living with the virus, and educate the public about prevention and treatment options. VSR GDC, Movva organized various activities to mark World AIDS Day and contribute to the cause. A team of volunteers from VSR GDC conducted an awareness campaign on campus and in the surrounding community. They distributed informational pamphlets, posted banners and posters highlighting the impact of HIV/AIDS, and engaged in open discussions to clear misconceptions and spread accurate information. VSR GDC, Movva successfully organized a variety of activities to commemorate World AIDS Day. The initiatives undertaken aimed to raise awareness, promote prevention, emphasize the importance of testing, and provide support to affected individuals. By engaging the campus community and reaching out to the wider public, VSR GDC played an instrumental role in fighting against HIV/AIDS and contributing to the global efforts to end the epidemic. It is our collective responsibility to continue working towards a world free of HIV/AIDS, where every individual has access to prevention, treatment, and support services.

## **WORLD CYCLE DAY RALLY**

**WORLD CYCLE DAY RALLY:** World Bicycle Day is essential to the health of individuals and the environment. It's a sustainable means of transportation that's simple to use, affordable, and is reliable for those who may not have access to a car. It provides access to education, health care, and physical activity for those who don't have any other means of transportation. Cycling is pitched as a healthy, green and economical transport alternative. A new UN General Assembly resolution adopted in 2022 on "Integration of mainstream bicycling into public transportation systems for sustainable development" reinforces these principles.
